Top 5 EU®

Top 5 EU® - created by Avantiq

Over time, we've recognized that nearly 80% of all conflicting marks in the European Union come from the German, French, Spanish, Italian, United Kingdom, Community and International Register databases. We developed the Top5EU® because it returns an excellent and affordable overview of the prior marks.

One Price, a Multitude of Options

We understand that our TOP5EU® is not necessarily YOUR TOP5EU® which is why our Comprehensive Word Mark prices are applicable for your choice of 5 countries from the European Union.
